PRICE INFO

Legal information: The prices quoted are non-binding, non-cartelized list selling prices in euros, including NoVA and VAT. Our new vehicles are tested in accordance with the new, globally harmonized test procedure for measuring fuel consumption and CO2 emissions in passenger cars and light commercial vehicles (World Harmonized Light Vehicle Test Procedure, WLTP) type approved. The standard fuel consumption tax (NoVA) is calculated using these WLTP values. Modifications and options of the vehicle configuration lead to changes in the WLTP value, the NoVA calculated from it, as well as the gross vehicle price and the bonus. The importer reserves the right to make equipment and price changes. Printing and input errors are expressly reserved. All images are symbolic photos and are for informational purposes only.
